

Missed a Toll?

Important Information

EZ TAG Account holders, you are **NOT FINISHED YET!** You need to pay off any remaining invoices with all of the license plates associated to your EZ TAG Account and your outstanding negative balance as reflected on the [Account Summary](#) page.

After doing so, make sure to:

1. Update any expired payment methods
2. Ensure that all license plates are up-to-date
3. Remove any sold vehicles

If you'd like to avoid paying an additional fee with your tolls, why not open an EZ TAG account? It's easy to [get started](#). Plus tolls for EZ TAG are less than cash at most locations.

Please print this receipt for your records. It may take several business days for recent violations and/or payments to be reflected on your balance.
